My favorite place in the world. This is  
where my friend Anna is and the Baobab  
Tree "the heart of the earth." Anna is  
a very sweet and kind person and always  
gives smiles and information. We will always  
come here when we come up North from  
Pretoria. However we only will live her for  
a more months. May the Lord Bless this  
place and the land of South Africa.  
May Jesus Christ be in all our hearts.

Love and Aloha Paula + Bill Jeffries

Anna is a special woman she told us  
about her life and made our family  
feel welcome. Thank you so  
much for the great experience.

Alta. Great experience, the people were nice and the view is amazing. But it surprised me how fast our faith can grow from a small seed into something as marvelous as this.
